

Fourlis Group supported “Greece Race for the cure” once again.

Fourlis Group employees participated, for another yet year, in "GREECE RACE FOR THE CURE" run which took place in October 2024 at Zappeio Megaro, in Attica.

"GREECE RACE FOR THE CURE" is annually organized by the Panhellenic Association of Women with Breast Cancer “Alma Zois” (www.almazois.gr), which, through the proceeds of the event, provides for free the programs that it implements.

Fourlis Group, which has been supporting "Alma Zois" for years, created a group of 70 people, giving the opportunity to employees to participate in the run with their family or friends, spreading the message “together against breast cancer”.
