

## Fourlis Group Volunteering Day

An action of solidarity and offering with the participation of  
Fourlis Group employees and their families

Another VOLUNTEERING DAY was organized for employees and their families on Sunday, October 13<sup>th</sup>, by Fourlis Group Sustainable Development and Corporate Social Responsibility Department, in collaboration with the Association of Social Responsibility for Children and Youth (SKEP) at Vorres Museum, in Paiania.

As part of the action, Fourlis Group employees had the opportunity to create memories and impactful moments together with people with disabilities, which will resonate in our community. They painted, played games and Bocce in Unified Teams, and listened to inspiring speeches that filled them with optimism and hope, leaving their unique imprint on them.

Every year, as part of the Group's Sustainable Development and Social Responsibility program, actions are organized with the aim of promoting volunteerism, strengthening the culture of employee awareness on the importance of providing help to people in need, while also strengthening the relationships between them.
